

Ian Brown, Upside Down

Wars and Famine
Plagues and pestilence
There is an answer to be found
If all that's meant to be was meant to be
I know the world is upside down
I know the world is upside down
I know the world is upside down

A desert rose cascading waterfalls
The sands of time will blow my mind
The real wealth to hold is with your health
You were beside me all around
I know the world is upside down
I know the world is upside down

Seven percent own eighty four percent
Of all the wealth on earth
Oil is the spice to make a man
Forget man's wealth
Right here on earth
Upon this turf
Earth is spinning round
I know the world is upside down
Is upside down
