## Ian Brown, Upside Down

Wars and Famine Plagues and pestillence There is an answer to be found If all thats meant to be was meant to be I know the world is upside down I know the world is upside down I know the world is upside down

A desert rose cascading waterfalls The sands of time will blow my mind The real wealth to hold is with your health You were beside me all around I know the world is upside down I know the world is upside down

Seven percent own eighty four percent Of all the wealth on earth Oil is the spice to make a man Forget man's wealth Right here on earth Upon this turf Earth is spinning round I know the world is upside down Is upside down
