

Ian Burlak, I remember

I remember what I said
Spoken in the day and night
We are through

I hear voices in my head
Saying that you are the one
To you, you, you

I, I, I, I, I

I remember what I said
Spoken in the day and night
We are through

I hear voices in my head
Saying that you are the one
To you, you, you

I, I, I, I, I

I, I, I, I, I

You are looking to my eyes
Saying that you never this good
Now I dream of better times
Wishing I can hold you close again

I, I, I, I, I

I, I, I, I, I
