

Ian Dury And The Blockheads, I Made Mary Cry

I made mary cry
in a lonley bus shelter
I put in my laundry tongs
in the back of her leg

severed a hamstring
in the lonley bus shelter
I payed no attention
but I made mary beg

i'm walking the floor
in a white dormatory, called barley lane hospital
i'm dreaming my dreams
in a cold iron bed shhh

fourteen my days
in a white hospital dormetory
I shall catch up with mary
i'll fuck all your tears away

hahahahahhahahahahhahahahaha
ha ha h ah aha

I sleep for tonight
in a lonleyl bus shelter
and with me for comfort
I shall my cuddle tongs
when mary passes through
my lonley bus shelter
I shall stick 'em right up her jacksie
I shall put ??? to her ???
