Ian Hunter, Just When I Needed You Most

Just When I Needed You Most

You packed in the morning I stared out the window And I struggled for something to say You left in the rain without closing the door I didn't stand in your way Now I miss you more Than I missed you before And now where I'll find comfort, God knows 'Cause you left me Just when I needed you most Yes, you left me Just when I needed you most Now most every morning I stare out the window I think about where you might be I've written you letters that I'd like to send If you would just send one to me

'Cause I need you more
Than I needed before
And now where I'll find comfort, God knows
'Cause you left me
Just when I needed you most
Yes, you left me
Just when I needed you most

You packed in the morning
I stared out the window
And I struggled for something to say
You left in the rain without closing the door
I didn't stand in your way

Now I love you more
Than I loved you before
And now where I'll find comfort, God knows
'Cause you left me
Just when I needed you most
You left me
Just when I needed you most
Oh, you left me
Just when I needed you most
