

# Ian Van Dahl, Waiting For You

People tell my one day I'll learn  
Someone will give me love in return  
But all I can see, this picture of you

I pick up the phone but you're not home  
I cannot believe I'm all alone  
I'm here calling you name

Chorus  
I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you  
I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you

I'm lost without you

People say it's time to move on  
All those things, I've heard them before  
They will never know my feelings for you

Good things come to those who wait  
Still it's so hard to keep my faith  
I'm here calling your name

Chorus  
I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you  
I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you

I'm lost without you

I'm lost without you

I'm lost without you

I'll be waiting, waiting for you  
I'm lost without you  
Don't leave me standing, I'm lost without you

I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you

I'm lost without you
