A day passed
And then two
A day passed

A day passed
Then two

In my dreams
Through white crystalline snow
In my dreams
Through white crystalline snow
In my dreams
Through white crystalline snow
In my dreams
Through white crystalline snow

A day passed
And then two
A day passed
Then two
A day passed
And then two
A day passed
Then two

In my dreams
Through white crystalline snow
In my dreams
Through white crystalline snow
In my dreams
Through white crystalline snow
In my dreams
Through white crystalline snow
