"an open microphone can be dangerous"

[Chorus: Ice Cube (WC)]

I can make a promise now to take your life

(westside, bustin' that janky..)

I can be that threat that make you change your life

(duck nigga, westcoast)

I can make a promise now to take your life

(westside, bustin' that janky..)

[Verse 1: WC:]

It's about fuckin' time

Niggaz ta came up with some real shit

And start bustin'on you bitch niggaz and kill some shit

High shells and cocktails, rags on faces

A terrorist fuckin' it up in chucks with fat laces

In my cutoffs I stand with trigger canon

Nah bitch, I ain't from the Taliban I'm from the niggaban

Westside, roll 'em motherfuckers up

Call me Dub McVeigh about to blow this motherfucker up

[Chorus: Ice Cube (WC)]

[Verse 2: Mack 10:]

We got you niggaz scared like a snitch and a gangsta cook out

And when the meter read red all cowards get took out

Back with more firepower than before

To us a nuclear bombin' is just a drug war

And I got no gangstarizm and stardom

And got niggaz shakin' that ain't even from Harlem

Spit rapid fire down in the whole place

And it's hard to breathe with duck tape on your face

[Chorus: Ice Cube (WC)]

[Verse 3: Ice Cube:]

And gotta brag to this bitches 'bout my lifestyle

No mistake the westsider for Al-Quieda
