

# Iced Earth, Dead Babies

[Alice Cooper cover]

Little Betty ate a pound of aspirin  
She got them from the shelf upon the wall  
Betty's mommy wasn't there to save her  
She didn't hear, hear her little baby call

Dead babies can't take care of themselves  
Dead babies can't take things off the shelf  
Well, we didn't want you anyway  
Lalala-lalalalalala-la

Daddy is an agrophile in Texas  
Mommy's on the bar most every night  
Little Betty's sleeping in the graveyard  
Living there in burgundy and white

Dead babies can't take care of themselves  
Dead babies can't take things off the shelf  
Well, we didn't love you anyway  
Lalala-lalalalalala-la

Goodbye little Betty  
Goodbye little Betty  
So long little Betty  
So long little Betty  
Betty, so long

Dead babies can't take care of themselves  
Dead babies can't take things off the shelf  
Well, we didn't need you anyway  
Lalala-lalalalalala-la

Goodbye little Betty
