

# Iced Earth, The Suffering Scarred

Darkness calls down to me  
Sweat pours from my body like rain  
Growing wiser with each touch  
A pawn in lucifers game, am I?

It attacks me in the black abyss  
The entity formless yet full of rage  
The mark of the beast my body  
Scarring me for eternal life

Chorus:  
I brought this all upon myself  
Sold my soul to change my life  
It's up to me and no one else  
The beast in me cant control my life

Bridge:  
And so it's begun, this is the end of me  
The seed was sewn now it's growing inside  
My fate in control , not mine  
He lied

Repeat Chorus
