

Icehouse, Hey Little Girl

Hey hey...
When everything goes wrong
sometimes it makes no sense
Hey hey...
There once was a time
I should have known better, then
Hey hey...
although you may try
it won't come your way again
Hey, little girl
where will you hide
who can you run to now
Hey, little girl
where will you go
who can you turn to now
Hey hey...
so why should I care
if somebody let you down
Hey hey...
that's nothing new
I know just what that can mean
Hey hey...
well, the way that they talk
the talk is all over the town
Hey hey...
and it's no surprise
little girls hurt sometimes
Hey, little girl
where will you hide
who can you run to now
Hey, little girl
where will you go
who can you turn to now
Hey hey...
When everything goes wrong
...sometimes it makes no sense...
Hey hey
Hey, little girl
You should have known better...
- you can know it better ...now
Hey, little girl
where will you hide
who can you run to now
Hey, little girl
where will you go
who can you turn to now...
