====English====

&lt;/lyrics&gt;

I who burn am a Chokijin  
The invincible azure dragon, Ryuukooh  
Protect the peace of this world  
The roar of the enraged heavens  
Becomes power to defeat any enemy

Behold! Dragon god, running across the sky  
Gekirin Hissatsu, summons lightning  
Now! Deploy, Super Robot  
Oh Ryuukooh I have no equals!

I who howl am a Chokijin  
The ultimate white tiger Koryuuoh  
Tear apart the evil invaders  
The passionate soul of the earth  
Becomes power to defeat any enemy

Run! White tiger, gracefully  
KooH Rangeki, my blood rises  
Now! Deploy, Super Robot  
Oh Koryuuoh I have no equals!

Love and courage and friendship  
Becomes power to defeat any enemy

Ryuukooh and Koryuuoh  
Can change at will, the invincible King

Now! Deploy, Super Robot  
Oh transcend all things I have no enemies
