

Icon of Coin, Love as blood

Sent down from heaven to become
A rose among the ashes
The motion in your fall the flirts when you get mean
My life, my everything and suddenly it's real
The kids on the screen chewing concrete
Spitting fire and stabs to the beat
Swimming in blood, breathing ashes
Tears of glass and walls of concrete
Swimming in blood, breathing ashes
The soul is too cold
Swimming in blood, breathing ashes
Tears of glass and walls of concrete
Swimming in blood, breathing ashes
The sky is burning
