

Icona Pop, Emergency

So you wanna party
So you wanna dance
You better know someone that fights with one of our friends
You wanna high and shake that ass
Spinning round and round, and around and round like that

I put a little twist in my hips
Kiss on my lips
Ice on my wrist
Cause I'm hot and I'm dancing
Caught that romancing
Can't sell the plants and
Girls hide your men
Cause I'm hot and I'm dancing

This is emergency
Call an ambulance, someone rescue me
Everybody in the street
If you wanna get out, get down like this

Hallelujah, oh mercy me
Convince your sensing
You're telling on your knees
And I'll be good to you, if you're good to me
And we can go on and on, on and on, and on and on

I put a little twist in my hips
Kiss on my lips
Ice on my wrist
Cause I'm hot and I'm dancing
Caught that romancing
Can't sell the plants and
Girls hide your men
Cause I'm hot and I'm dancing

This is emergency
Call an ambulance, someone rescue me
Everybody in the street
If you wanna get out, get down like this

This is emergency
Call an ambulance, someone rescue me
Everybody in the street
If you wanna get out, get down like this
