

Ida Corr & Fedde Le Grand, Let Me Think About It

You saying baby
I'll take you for a ride
Let's get together
Work it all night

I'll be your lover
Your sexy affair
I'll make you feel like
Heaven is near

let me think about it

Come on girl believe me
I'll make you see
That I am the true way
To ecstasy

Touch me, feel me
Then you will find
We are meant to be
And I aint lying

Let me think about it

can i get with baby
blow your mind or whatever you like
think about it
you don't have to think no more
baby, just call

let me think about it

You say you want me
You say you need me
You say you love me
Like I'm your

Let me think about it
