

Ida Corr ft. Ataf Khawaja, U Make Me Wanna

Uauh wayia
Yauh you make me wanna
Uauh wayia
Cry like a baby
Uauh wayia
Yauh you make me wanna
Uauh wayia oh yeah
Now place your hands on me
and make me beg for more
Ha, do your thing till I'm satisfied
The sweets you give me
makes my black skin glow
Just throw your sex into it
and I'll go oh yeah
Uauh wayia
Yauh you make me wanna
Uauh wayia
Cry like a baby
Uauh wayia
Yauh you make me wanna
Uauh wayia oh yeah
Ha, Sugar take it slow
I know where you wanna go
Lead the way and I follow
when I'm there hear me holla
Undress me like a doll
It's time to get it on
Say my name, baby!
So what's the deal, mommy?
I love your skin tone and your body
Heard you knocked Jill out
like Rocky, like Rocky
I can't lie you enslaved my brain
Yeah, I play your game
Yeah, I say your name
'Cause you make me wanna ??
Give it up the nod
So I can be with you all of the time
You're a dynamic Black Cat like Janet
Your looks are killing me softly
God dammit
You take it no more
I'm about to go down
So I follow the sound of wayia yauh
You don't know?
This is Ataf Khawaja
