

Ida Corr, Let Me Think About It

You saying baby
I'll take you for a ride
Let's get together
Work it all night

I'll be your love
You sexy look fine
I'll make you feel like
Heaven is near

Come on girl believe me
I'll make you see
That I am the true way
Towards ecstasy

Touch me, feel me
Then you will find
We are meant to be...
And I aint lying

Let me think about it

You say you want me
You say you need me
You say you love me
Like I'm your

Let me think about it
