

Ideal, No More

Yeah, yeah

This girl is callin' me again?

I know it ain't that same one

Yes it is

What you gotta tell her, what are you gonna do

Her time is up, she gotta go

Your time is up

I'm sick and tired of all your games

Tell me why do you expect for me to feel the same

I'm not gonna let you hurt me no more, no more

I'm not gonna let you hurt me no more, no more

I'm not gonna let you hurt me no more, no more

I'm not gonna let you hurt me no more, no more

I'm not gonna let you hurt me
