

Ideal, Tell Me Why

oh, why
i just wanted to lay down and die
you don't know the pain that i feel inside
could this be your dream or is it real tonite
tell me why,oh why

it hurts inside,for real,a lie
can you tell me what went wrong with our love
we laughed,we cried
through battles,we survived
our love was sure as the stars above
oh,tell me why

repeat 1

you said we'd be together forever
they say true love dies
you said that i was all you needed
why did we have to say goodbye
the situation is killing me
but you had to step on me
with another man,i don't understand
i saw you holding his hand

repeat 1

i remember the first time that i laid eyes on you
you were the only one for me,i though i knew
now my heart is filled with pain
cuz our love was in vain
tell me why,oh why,please tell me why

repeat 1
