

Iggy Azalea, Boom Boom (Ft. Zedd)

coldest on my chain
and wrist lit
sonic face lift
one time gotta
hit them with the

two time like a backstabber
baby, come and hear the pitta-pitta

kiss my back-scratcher
do you smell a lie
don't need dope
don't see your
no time for the
wait a minute

I got that boom boom
baby
bring the bass
boon boon all
boom boom all
up in your face

wavy so often
chordz made
this on slauson

go crazy
you lost it
my ladies, you awesome
you got it /2x
just drop it /2x
who's about it /2x?

tell me if you're ready to die
do you smell a lie
don't need dope
don't see your
no time for the
wait a minute
/2x

I got that boom boom
baby
bring the bass
boon boon all
boom boom all
up in your face
