

Iggy Pop, Football

I'm a football baby,
Rollin' round the field.
I've been passed and fumbled,
Till I don't know what I feel.
Everybody's the same,
They're all footballs too.
Setting up the big play
And trying to score.

I'm a football baby
In a football game
I'm a football baby
Run--kick

Life's a football game,
As every chump and champ knows.
We don't touch, we collide,
Till we're worn out inside.
We're kicking each other,
Right where it hurts,
Setting up the big play,
And trying to score.

I'm a football baby,
In a football game
I'm a football baby,
I'm a football baby,
In a football game
I'm a football baby,
Block--pass
I'm a football baby,
In a football game
I'm a football baby,
Run---kick---hit---goal .
