

# Iggy Pop, Go For The Throat

I was lying in a coma  
By the side of some damn road  
My fucking heart was pounding  
Like I thought it would explode  
I had no protection  
No family  
No friends  
I had nothing really  
But a will to make this end  
Go for the throat  
Go for the throat  
Go for the throat  
Go for the throat  
I'm fucked'up  
I'm so fucked'up

It isn't very nice  
What I do to make end's meet  
It isn't very pretty when you hate  
The folks you meet  
It's a shame to feel hurt and angry everyday  
It's a shame to take it out  
On whoever's in the way  
Go for the throat  
I'm fucked'up  
Go for the throat  
I'm fucked'up  
Go for the throat  
I'm fucked'up  
Go for the throat  
I'm fucked'up  
Man I'm so fucked'up  
I'm fucked'up  
I'm fucked'up  
I'm fucked'up  
I'm fucked'up  
Man I'm so fucked'up

Poor little girl  
I hurt her really bad  
I haven't been the same since I lost my mom and dad  
Where is the justice ?  
Well I really don't know  
When everybody is singing  
Like a fucking so and so  
Go for the throat  
I'm fucked'up  
Go for the throat  
I'm fucked'up  
Go for the throat  
I'm fucked'up  
Go for the throat  
I'm fucked'up  
Yeah I'm so fucked'up  
Yeah  
Yeah  
Yeah

They took away my freedom  
They took away my games  
They took away my innocence  
And gave me shitty fame  
There's nothing left to stop me  
There's nothing left to feel

There's nothing left inside me  
But a low down dirty deal  
Go for the throat  
Go for the throat  
Go for the throat  
I'm fucked'up baby  
Go for the throat  
I'm fucked'up baby  
I'm so fucked'up baby  
I'm so fucked'up  
Oh I'm fucked'up  
I'm so fucked'up  
Oh I'm fucked'up  
I'm so fucked'up  
Oh I'm fucked'up  
Go for the throat
