

# Iggy Pop, Highway Song

I been walkin' down the road  
what it means i dunno  
i been walkin' down the highway  
with the bad food flyin by me  
i' m an ordinary man  
with a time bomb in my hand  
it keeps tickin' an i keep runnin  
tryin to find out where i come from  
and there ain' t nothin' gonna take this road away  
nothin' gonna take this road away  
nothin' gonna take this road outta my heart  
nothin' gonna take this pain outta my heart

i wake up sweatin in the night  
every town is only lights  
i 'm addicted to the highway  
'cuz i just can' t do things their way  
and there ain' t nothin gonna take this road away  
nothin gonna take that road away  
nothin gonna take that road outta my heart

highway i' m doin fine  
you help me draw the line  
no use in bein alive  
if i' m just rentin  
i undersand the circus well  
i' ve played the clown when down he fell  
but bein' down ain' t bein' loser  
so just look out here comes a bruiser  
and there ain' t nothin gonna take my road away  
nothin' gonna take my road away  
nothin' gonna take my road outta my heart
