

Iggy Pop, I Got A Right

Anytime i want i got a right to move
No matter what they say
Anytime i want i got a right to move
No matter what they say

I got a right, I got a right to move
anytime i want, anytime
I got a right, I got a right to move
anytime i want

Anytime i want i got a right to sing
No matter what they say
Anytime i want i got a right to sing
No matter what they say

I got a right, I got a right to sing
anytime i want
I got a right, I got a right to sing
anytime i want
