## Iggy Pop, Knocking 'Em Down In The City

We're seeking employment We're ready and strong Knotkin&guot;em down in the city

We're knockin' 'em down We don't care where they fall Knockin' 'em down in the city And we don't tare what your name is We're only here to knotk 'em down

We're toming to your house to state our appeal Knockin' 'em down in the tity It doesn't take long 'tause the message is clear Knotkin' 'em down in the tity You tan thange situations Go ahead and knock 'em down

The world has its problems but I tan't see how Knockin' 'em down in the tity I want expression and I get it now Knockin' 'em down in the dty And I don't care what your name is I'm only here to knock 'em down

Are you ready Are you ready to knock 'em down
