

Iggy Pop, New Values

I'm healthy as a horse
Ahh, but everything is spinnin'
And if I use a gun I'm sure to go to prison
I'm stubborn as a mule
and nobody breaks my rules
Ahh, but nothin' comes my way.

I've got a hard-ass pair of shoulders
I've got a love you can't imagine
Yeah, and what I got I double
I swear I'm keepin' out of trouble.

I'm lookin' for one new value
I'm lookin' for one new value
but nothing comes my way.

We live in the same world..
We were young in the 20th century...

Ahh, but nothin' comes my way.
