

Iggy Pop, Pleasure

Sooner or later baby
I'm gonna squeeze you just like a tomato
Sooner or later baby
I'll probably peel you like some old potato
Just give me some pleasure
It's my life

Sooner or later baby
I'm gonna bleed you
Sooner or later baby
You're gonna feel something for me
Just give me some pleasure
It's my life

I gotta do that
I gotta do that
Just give me some pleasure
It's my life
Just give me pleasure
I got no wife
Just give me pleasure
I got no wife
It's my pleasure
I got no wife
It's my pleasure
That's what I'm living for

I gotta do that
I gotta do that
Pleasure
Pleasure
Give me some pleasure please
Pleasure
Give me some pleasure please
I'm gonna squeeze you like tomato
I'm gonna peel you like a what?
Like a potato
It's my life
It's just my life
It's just my life
