Iggy Pop, Real Cool Time

Can I come over tonight?
Can I come over tonight?
What do you think I wanna do?
That's right
Can I come over tonight?
I say we will have a real cool time tonight
I say we will have a real cool time tonight
I say we will have a real cool time tonight
I say we will have a real cool time tonight
I said we will have a real cool time tonight
I said we will have a real cool time
We will have a real cool time
A real cool time tonight
