

# Ihsahn, Homecoming

I have tried so hard  
to regain my faith  
in man  
Yet, I fail again  
to uphold this  
deception  
His collective truths  
are far too salt  
I return instead  
To the Heart and Self  
and say;  
"Unutterable and nameless  
is that which maketh my soul's pain  
and sweetness,  
and which my bowels yearn upon";
