

Ima Robot, Hello I Love You

I love thee... no, naw, you can't say that... okay, alright
Now... I'm just gonna talk to her, I'm just gonna say how I feel.
What's that?
Come on, tell her, man.
I'm goin', dog.
You gotta quarter?
Gimme a quarter.
Just a second, man.

Bring
Hello?

Ahem, hello, I have something to say
Remember me, we met the other day (go on)
Anyway, I think that you're really great... shit
(Come on, you gotta do better than that, better than that)

You are better than butter on bread (uh huh)
If you were a sweater, I'd wear you on my head
Why is butter so good on bread, it's you... I'm sorry

Just tryin' to let you know that I love you so
And now I'll let you go
Ooh ooh, just callin' to say hello
And that I love you so
And now I'll let you go
Ooh ooh, just wanted to let you know that I love you so
And now I'll let you go
Ooh ooh, just callin' to say hello
You know I love you so
And now I'll let you go, yeah

Now tell her what you'd give up for her
All the bread in China
Yeah, haha... no
All the rice in China

So I guess you're probably busy and things,
Doin' your hair or whatever you do that's so cool
You're the best, just wanted to say you knock me out

So get back to whatever it is you're doing that's so cool
I'll go back to kickin' rocks down by the high school
Anyway, uh, my number is 227**62
Call me back if you want to (yeah you said it)

Just tryin' to let you know that I love you so
And now I'll let you go
Ooh ooh, just callin' to say hello
And that I love you so
And now I'll let you go
Ooh ooh, just wanted to let you know that I love you so
And now I'll let you go
Ooh ooh, just callin' to say hello
You know I love you so
And now I'll let you go, yeah
