Imagine Dragons, Amsterdam

I'm sorry, mother... I'm sorry, I let you down Well, these days I'm fine - No these days I tend to lie I'll take the Western train, just by the side of Amsterdam Just by my left brain, just by the side of the Tin man

I'm sorry, brother... I'm sorry, I let you down Well, these days you're fine - No these days you tend to lie You'll take the Western train, just by the side of Amsterdam Just by your left brain, just by the side of the Tin man

Your time will come if you wait for it, if you wait for it It's hard, believe me... I've tried But I keep coming up short

I'm sorry, lover... I'm sorry I bring you down Well, these days I try and these days I tend to lie Kinda thought it was a mystery and then I thought I wasn't meant to be You set yourself fantastically, "Congratulations, you are all alone"

Your time will come if you wait for it, if you wait for it It's hard, believe me... I've tried Your time will come if you wait for it, if you wait for it It's hard, believe me... I've tried

But the rain won't fall for the both of us The sun won't shine on the both of us Believe me when I say, that I wouldn't have it any other way

Your time will come if you wait for it, if you wait for it It's hard, believe me... I've tried But I won't wait much longer 'cause these walls they're crashing down And I won't wait much longer 'cause these walls they're crashing down And I keep coming up short
