

# Imagine Dragons, Darkness

I can never leave you when you're lying in the bed  
face to the wall  
I slept on the floor  
What did you mean by that  
What did you mean by that  
Take it as a self invitation  
Take it as your own means of salvation  
If I could take it all  
If I could take it all back

Nothing is forgiven unless you want it to be  
And if it's too late for deciding  
Oh just leave it to me  
Stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me please  
Cause I'm living, living  
Living in the darkness

I could never beat it when you needed me the most  
The more I try the less you try to come  
How could I live like that  
How could I live like that

Take it as a self indication  
Take it as your own means of vindication  
If I could take it all  
If I could take it all back

Nothing is forgiven unless you want it to be  
And if it's too late for deciding  
Oh just leave it to me  
Stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me please  
Cause I'm living, living  
Living in the darkness

Nothing is forgiven unless you want it to be  
It's too late for deciding  
Oh just leave it to me  
Stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me please  
Cause I'm living, living  
Living in the darkness

Nothing is forgiven unless you want it to be  
Oh it is too late for deciding  
So just leave it to me  
Stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me please  
Cause I'm living, living  
Living in the darkness  
Living in the darkness

Please  
Living in the darkness
