## Imogen Heap, Airplane

Drifting through the atmosphere And up on into space Leave behind the morning city In it's special place

Some flutterbies they enter and they Play around in my soul And once again part of me Fills up to be whole

Da da day Flying in my aeroplane.

Peaceful colours everywhere Purples and deep blues Feeling so at home here oh As if up here i grew

It's so beautiful up here now, Oh I think I might just stay All alone and by myself So free and far away

Da da day Flying with my aeroplane

I can see heaven Heaven down below I look at heaven And an angel who I know I can see heaven Heaven down below

Da da day Flying with my aeroplane

Just happy to be me again.
