

# Imogen Heap, The Moment I Said It

The moment I said it  
The moment I opened my mouth  
Letting your eyelids  
Bulldoze the life out of me  
I know what you're thinking  
But darling, you're not thinking straight  
Sadly things just happen we can't explain

It's not even light out,  
But you've somewhere to be - no hesitation  
No, I've never seen you like this  
And I don't like it, I don't like it, I don't like it at all

Just put back the car keys  
Or somebody's gonna get hurt  
Who are you calling at this hour?  
Sit down, come round, I need you now  
We'll work it all out together  
We're getting nowhere tonight  
Now sleep, I promise it'll all seem better somehow  
In time

It's not even light out  
Suddenly, you've somewhere to be  
No hesitation  
Mmm...I've never seen you like this  
You're scaring me, You're scaring me  
You're scaring me to death

Don't...oh, smash...please  
Don't...oh...and another one  
Don't...oh...and another one

I'm losing you...I'm losing you

Trust me on this one  
I've got a bad feeling  
Trust me on this one  
You're going to throw it all away  
With no hesitation
