

# In Flames, My Sweet Shadow

I'm selling heavenly sketches  
A world out of my mind  
Ready to explode in purity  
To fill the holes inside  
An ever moving stream  
With glowing rays of light  
Emotions tied to past lies  
And I know, I should let go  
Tamed with confidence of a brighter future  
I found a flame in the burnt out ashes... burn out, burn out  
Fueled  
these new shores burn  
Dark past lies cold  
Shadow, my sweet shadow  
To you I look no more  
Another dawn collapses  
Do I need to be reminded?  
A glimpse of my safe home  
A path to hide all anger  
In circles I catch  
A torch carried by the immortal  
From depths that I created  
In vain echoes fade
