

In-grid, We Tango Alone

Na, na, na
Give me your love
Na, na, na

Come and talk your world to me
'Cause I've been watching you get closer
Come and tell me what you feel
'Cause every time your near, it's surreal
Come and show me what you see
When you say tonight is special
I just hang upon your lips
And wait upon your kiss
A sign of your love

Na, na, na
We tango alone
Na, na, na
And maybe we'll take it too far
And maybe we'll touch in a star
Give me your love
Na, na, na

Come and share just one more dance
And tell me who believes in romance
Now is just a point in time
Love is not a crime in my mind
Come and dance my life away
And tell me it will last forever
Just a second or a day
As long you display
A sign of your love

Na, na, na
We tango alone
Na, na, na
And maybe we'll take it too far
And maybe we'll touch in a star
Give me your love
Na, na, na

We tango alone
Na, na, na
And maybe we'll take it too far
A tango to heal every scar
Give me your love
Na, na, na

May I have this dance?
Follow me, follow me
You'll be mine tonight

Na, na, na
Na, na, na
Na, na, na
Na, na, na
Na, na, na
Give me your love

Na, na, na
Na, na, na
Na, na, na
Na, na, na
Na, na, na
Give me your love
