

# In This Moment, Mechanical Love

I remember you that night  
Standing in the rain  
Your black stare  
Your black eyes  
I remember what you said  
Before I turned away  
My heart died  
Your sweetest lies  
And if I saw you bleed  
I'd stay here till the end  
But you can't change for me  
And I, And I, know you'll  
never understand me  
No matter how hard we try  
And I, And I, know I'll never understand you  
And your mechanical love  
I still hear you in my sleep  
Your running through my veins  
Your whispers, your machine  
We knew it was meant to be  
But never meant to last  
I'm sorry, you always knew  
And if I saw you bleed  
I'd stay here till the end  
But you can't change for me  
[x3:]  
And I, And I, know you'll  
never understand me  
No matter how hard we try  
And I, And I, know I'll never understand you  
And your mechanical love
