

Incubus, Anything (Monuments & Melodies)

I met the day
Feeling cheaper than usual
I guess you could say that I'm unsaved
So take what you can while you can
Shop now intensive
I can snap at any moment and I might feel more expensive, Ohh
I don't owe anything to you; I don't owe anything to you
You don't know me half as well as you think you do
I don't owe anything, anything to you
I met the mirror, price tag hanging from my ear
And in that moment I went un-bathed
So take what you can while you can less conscience slowly amazed more gold
I can snap at any moment and remember that I was not born to be sold
I don't owe anything to you; I don't owe anything to you
You don't know me half as well as you think you do
I don't owe anything, anything to you
Ah ah ah ah
I don't owe anything to you; I don't owe anything to you
You don't know me half as well as you think you do
I don't owe anything, anything to you
Ah ah ah ah
