

Incubus, Echo

Theres something about the look in your eyes
Something I noticed when the light was just right
It reminded me twice that I was alive
And it reminded me that youre so worth the fight
My biggest fear will be the rescue of me
Strange how it turns out that way, yeah
Could you show me dear?
Something I've not seen.
Something infinitely interesting
Could you show me dear?
Something I've not seen.
Something infinitely interesting
Theres something about the way you move
I see your mouth in slow motion when you sing
More subtle than something someone contrives
Your movements echo that I've seen the real thing.
Your biggest fear will be the rescue of you
Strange how it turns out that way, yeah
Could you show me dear?
Something I've not seen.
Something infinitely interesting
Could you show me dear?
Something I've not seen.
Something infinitely interesting
