Incubus, Echo

Theres something about the look in your eyes Something I noticed when the light was just right It reminded me twice that I was alive And it reminded me that youre so worth the fight My biggest fear will be the rescue of me Strange how it turns out that way, yeah Could you show me dear? Something I've not seen. Something infinitely interesting Could you show me dear? Something I've not seen. Something infinitely interesting Theres something about the way you move I see your mouth in slow motion when you sing More subtle than something someone contrives Your movements echo that I've seen the real thing. Your biggest fear will be the rescue of you Strange how it turns out that way, yeah Could you show me dear? Something I've not seen. Something infinitely interesting Could you show me dear? Something I've not seen. Something infinitely interesting
