

Incubus, Martini

She was a new mean beauty queen,
Money, drugs, magazines,
I didn't do nothing, I didn't do nothing,
They Keep Diamonds, Shiny Boy, City Speak, Every Joy,
I didn't do nothing, no nothing for her
You can lead a horse to water but you can't expect it to drink
Now ain't that something, Now ain't that something
Yeah when the world is at your keep, that won't ????
Why are you crying, you offer nothing at all
Don't be a fly in my Martini baby come on down
The roof is high and i'm not crowded tonight,
Come down and i'll give you something to cry about
Flash Cars, Booze & Bars, Trial,
And Drown In The Scars
It won't do nothing, it won't do nothing
Even the best frame won't change your wet painting into,
The Mona Lisa, The Mona Lisa,
You've got to dry your eyes baby,
I know it's your party and you,
Cry if you want to, cry if you want to,
Yeah when the world is at your gate & That don't fill your plate
Why are you crying, you offer nothing at all.
Don't be a fly in my Martini baby come on down
The roof is high and i'm not crowded tonight,
Come down and i'll give you something to cry about
