## Incubus, The Deceived One

I'd like to close my eyes and go numb But there's a cold wind coming from The top of the highest high rise today Its not a breeze cuz it blows hard Yes and it wants me to discard the The humanity I know, watched the warmth blow away So don't let the world bring you down Not everyone here is that fucked up and cold Remember why you came and while you're alive Experience the warmth before you grow old So do you think I should adhere To that pressing new frontier And leave in my wake, a trail of fear Should I hold my head up high And throw a wrench and spokes by I'm leaving the air behind me clear So don't let the world bring you down Not everyone here is that fucked up and cold Remember why you came and while you're alive Experience the warmth before you grow old So don't let the world bring you down Not everyone here is that fucked up and cold Remember why you came and while you're alive Experience the warmth before you grow old Before you grow old
