

India Arie, Beautiful

The time is right
I'm gonna pack my bags
And take that journey down the road
Cause over the mountain I see the bright sun shinning
And I want to live inside the glow
Yeah

I wanna go to a place where I am nothing and everything
That exists between here and nowhere
I wanna go to a place where time has no consequences oh yeah
The sky opens to my prayers

I wanna go to beautiful, beautiful, beautiful,
I wanna go to beautiful, beautiful, beautiful,
I wanna go to beautiful, beautiful, beautiful,
I wanna go to beautiful, beautiful, beautiful,

Please understand that its not that I don't care
But right know these walls are closing in on me
I love you more than I love life itself

But I need to find a place were I can breathe
I can breathe
I wanna go to aplace where I can hold the intangible
And let go of the pain with all my might

I wanna go to a place where I am suspended in ecstasy
Some where between dark and light
Where wrong becomes right

I wanna go to beautiful, beautiful, beautiful,
I wanna go to beautiful, beautiful, beautiful,
I wanna go to beautiful, beautiful, beautiful,
I wanna go to beautiful, beautiful, beautiful
