

India Arie, Beautiful Surprise

It's like yesterday
I didn't even know your name
Now today
You're always on my mind
I never could have predicted that I'd feel this way
You are a beautiful surprise
Intoxicated every time I hear your voice
You've got me on a natural high
It's almost like I didn't even have a choice
You are a beautiful surprise

Whatever it is that you came to teach me
I am here to learn it cause
I believe that we are written in the stars
I don't know what the future hold
But I'm living in the moment
And I'm thankful for the man that you are, you are, you are
You are everything I ask for in my prayers
So I know my angels brought you to my life
Your energy is healing to my soul
You are a beautiful surprise
You are an inspiration to my life
You are the reason why I smile
You are a beautiful surprise
