

India.Arie, Brown Skin

Brown skin, you know I love your brown skin
I cant tell where yours begins, I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then:oh hey:

Where are your people from? Maybe Mississippi or an Island
Apparently your skin has been kissed by the sun
You make me want a Hershey's kiss, your licorice

Every time I see your lips, it makes me think of honey-coated chocolate
Your kisses are worth more than gold to me
I'll be your almond joy, you'll be my sugar daddy

Brown skin, you know I love your brown skin
I cant tell where yours begins, I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then:oh hey:

Every time you come around, something magnetic pulls me and I cant get out
Disoriented, I cant tell my up from down
All I know is that I wanna lay you down

Every time I let you in, abracadabra magic happens as we swim
Higher and higher finally we reach heaven
Come back to earth and then we do it all again
Yeah:..

Brown skin, you know I love your brown skin
I cant tell where yours begins, I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then:oh hey:

Skin so brown, lips so round
Baby how can I be down?
Beautiful mahogany, you make me feel like a queen
Tell me what's that thing you do that makes me wanna get next to you, yeah

Brown skin, you know I love your brown skin
I cant tell where yours begins, I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then:oh hey:

Brown skin, you know I love your brown skin
I cant tell where yours begins, I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then:oh hey:
