

India Arie, Complicated Melody

If he were a color
He'd be a deep dark forrest green
If he were a car
He'd be a long stretch limousine
With room for all of humanity inside
Cause he is so giving
And he is so wise
If he were a number
He'd be a five cause he has such a brilliant mind
If he were an animal
He'd be an ass cause he's so stubborn sometime

But if he were a song
He'd be a complicated melody
That complicated fellow he
I almost can not sing it on key

But he means the world to me

If he were a building
He'd be a beautiful cathedral
Cause he's so traditionally spiritual
If he were a dance
He'd be complicated like the tango
Exotic like a mango

But if he were a song
He'd be a complicated melody
That complicated fellow he
I almost can not sing it on key

But he means the world to me

He ain't the reason for the sun and the moon
He is just the reason for this here tune

Cause he means the world to me (ooh ooh)
Said he means the world to me
Me me me yeah
He means the world to me yeah

Complicated melody that complicated fellow he
He's a complicated melody
I almost can not sing it on key
