

India Arie, Just For Today

Just for today, I will not worry what tomorrow will bring.
No No.
I'm going to try something new.
Walk through this day like I got nothing to prove
Yeah yeah.

Although, I have the best intentions
Can't predict anyone's reactions
So i just do my best.
I put one foot in front of the other
And keep on moving forward
And let God do the rest.

I don't what's going to happen that's alright with me
I open up my arms and embrace the mystery.
I don't what's going to happen, that's alright with me.
I open up my arms and embrace the mystery.

Just for today I'm telling the truth like it's going outta style.
I'm going to swallow my pride, and be who i am,
And i don't care who don't like it, yeah.
I feel, I feel but I do it anyway
I won't let it stand in the way, I know what I must do. Yeah.
There's no guarantee that it'll be easy,
But I know it'll be fulfilling and it's time for me to sure improve.

Yeah it's okay, not to know.
Exploration is how we grow
It's okay to not have the answer
Cause sometimes it's the question that matters.

I don't what's going to happen that's alright with me
I open up my arms and embrace the mystery.
I don't what's going to happen, that's alright with me.
I open up my arms and embrace the mystery.
