

Indigo Girls, Holy City

well you followed me this far
did you find out what's inside
can you tell me what i'm doing
is it something i should hide
i don't know for sure
i don't wanna find out what i left there for
i'm not scared and i'm not lonely
saving all my money or my breath
i'm not looking for an answer
or anyone to second guess no
you told me all your secrets
and i filled you up with lies
now i'm living honestly
because i said goodbye
i can't go home anymore
i don't wanna find out what i left there for
i'm not scared and i'm not lonely
saving all my money or my breath
i'm not looking for an answer
i'm not asking anyone to second guess
i was losing all my senses
i was losing all control
it was getting so offensive
now you want me back for more
and i just won't go
if you think you know the answers
you've got a lot of gall
cause it gives you satisfaction
knowing nothing at all
i don't care anymore
and i don't wanna find out what i left there for
what i left there for
i'm not scared and i'm not lonely
saving all my money or my breath
i'm not looking for an answer
i'm not asking anyone to take a second guess no
i'm not scared and i'm not lonely
saving all my money or my breath yeah
i'm not looking for an answer
i'm not asking anyone to take a second guess no
take a second guess yeah
take a second guess yeah
(hey)
take a second guess yeah
(hey)
take a second guess yeah
take a second guess
(i can't talk to you)
take a second guess
(yeah, yeah i know)
take a second guess
(well i gotta go okay)
take a second guess
take a second guess
(over one billion served)
take a second guess
oh yeah
