

Infected Mushroom, Change The Formality

I try to change the formality and everything about it
People killing people for a reason.
You make mistakes
You don't regret
So make a conclusion .
I try to change the formality and everything about it
People killing people for a reason.
You make mistakes
You don't regret
So make a conclusion .
I try to change the formality and everything about it
People killing people for a reason.
You make mistakes
You don't regret
So make a conclusion .
I try to change the formality and everything about it
People killing people for a reason.
You make mistakes
You don't regret
So make a conclusion .
