

# Infected Mushroom, Change The Formality

I try to change the formality and everything about it  
People killing people for a reason.  
You make mistakes  
You don't regret  
So make a conclusion .  
I try to change the formality and everything about it  
People killing people for a reason.  
You make mistakes  
You don't regret  
So make a conclusion .  
I try to change the formality and everything about it  
People killing people for a reason.  
You make mistakes  
You don't regret  
So make a conclusion .  
I try to change the formality and everything about it  
People killing people for a reason.  
You make mistakes  
You don't regret  
So make a conclusion .
